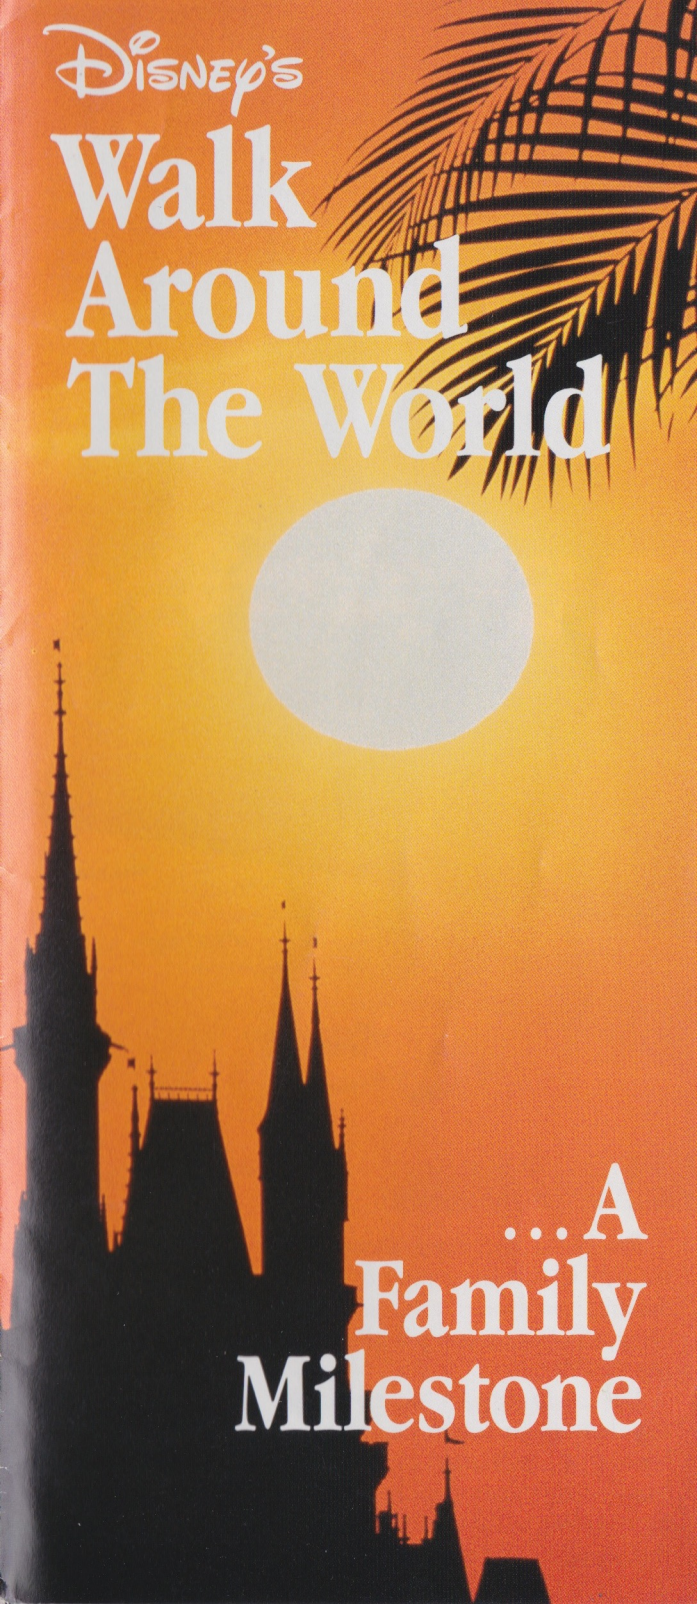
Disney's

Walk Around The World



...A Family Milestone

Join The Walk Around The World

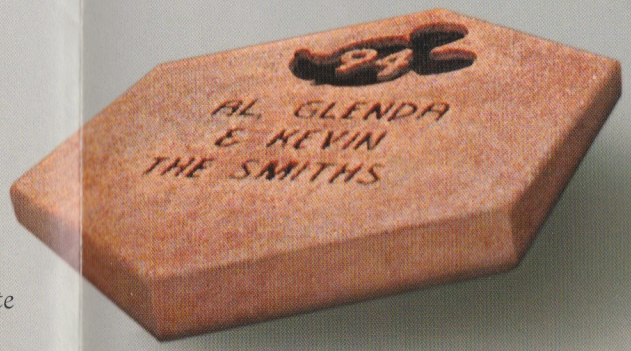
For those who have always wanted to become a part of our dream, now comes a magical opportunity; Disney's Walk Around the World.

Disney Designers have brought together magnificent views, beautiful landscaping and comfortable park benches to create an inviting walkway nestled along the banks of the Seven Seas Lagoon.

The most unique feature, however, of Disney's Walk Around the World, are the personalized bricks which form the pathway for our guests.

Each 10" hexagonal brick will be personalized with your name. It is an exceptional way to leave behind a marker of your visit to the world's number one vacation destination—
Walt Disney World Resort!

Disney's Walk Around the World is designed to be a special, one-of-a-kind place. Therefore, only a limited amount of bricks will be offered. Each one will be numbered and comes with its very own Certificate. There will also be a map and database created to help you, as well as your family and friends, locate your Disney personalized brick.



The first bricks for Disney's Walk Around the World are scheduled to be placed in Summer, 1994. It will begin at the gate of the Magic Kingdom and stretch as far as your dreams will take it.
